

### Prohibited

- **Alcohol/Spirits/Beer/Wine** - Licensing/Excise issue
- **Animals/Fish** - Mounted/stuffed/etc.
- **Carbon Black** - A colorant in manufacturing
- **Coins or Currency**
- **Collections (stamps, coin, cards, etc.)**
- **Dangerous Goods** - Cannot move Class 6; Class 2.3; or Class 1 (except 1.4 – acceptable)
- **Firearms/Ammunition** - Licensing issue
- **Hazardous Waste** - In any class 1-9
- **High Value shipments** - We do not offer increased valuation on Transborder shipments. Anything over \$5/lb must be removed from BOL before transit. Customers can get increased coverage through their tariff only.
- **Human Remains/Ashes/parts** - Cadavers for science, etc.
- **Infectious Substances** - Class 6
- **Jewelry/precious gems/metals** - Costume jewelry is acceptable as long as no declared value
- **Live Plants in LTL quantity**
- **Marijuana plants/seeds/etc.**
- **Motor Vehicles** - motorcycles, ATVs, Scooters, trailers, snowmobiles, cars, trucks, boats or any type of vehicle that must adhere to US or Canadian DOT import/export requirements
- **Negotiable Instruments** - Any document guaranteeing the payment of a specific amount of money, either on demand, or at a set time. (ie. Cheque)
- **Nitrocellulose (guncotton)** - Class 3 or 4.1
- **Tobacco or Tobacco Products** - Excise issue

### Restricted

- **Artwork/Antiques/Statues** - Can be moved with zero declared value
- **Explosives** - We can only move 1.4 across the border
- **Granite/marble/glass sheets** - Must be crated and able to stand on their own
- **Liftgate/power tailgate service** - Cannot exceed rated capacity of lift gate – usually 2500 lbs (subject to dimension restrictions as well)
- **Personal Household goods** - Can only move at shipper's risk of loss or damage with no declared value. (We cannot move used mattresses). A detailed breakdown of every item is required. Southbound must clear on PAPS every time.
- **Radioactive Materials (Class 7)** - Only move non placardable amounts – when packaging is 'excepted' per 14.38 of the Regs – e.g. smoke detectors, survey equipment.
- **Temperature Controlled** - We only provide 'protect from freezing' service in the winter months; we cannot move provide ambient temperature service on LTL
- **TIB, Carnet or E29B shipments** - Advance notification and approval required through National Transborder – cannot move across all gateways on all crossings and may require additional days service; driver stop charges may apply
- **Trade Show Shipments** - Only when moving to an offsite warehouse or staging area. We will not deliver to convention locations.
- **Volume LTL shipments** - Over 20' or 20,000 lbs (See Volume SOP)
- **Weight** - Excess weight shipments; cannot exceed capacity of handling equipment (check with operations if over 3000 lbs per handling unit)

This list outlines additional Restricted and Prohibited Articles on Transborder LTL shipments in our Partnership with R+L Carriers. Any deviation from this list must be approved by a senior leader (Director or higher). Please contact a Day & Ross Sales Professional for more details.
